

EYPP Expenditure Report – Chertsey Nursery School 2024-25

No. on roll	Proportion of disadvantaged children				EYPP predicted income for academic year	Disadvantaged outcomes for previous academic year (% children meeting milestones)	
93	Total disadvantaged		26 = 28%		£388 per child = £10,088	EYPP	Funded 2yo
	P/LAC	FEET	FSM	EYPP		67% in prime areas	72% in prime areas
	1	14	12	26			
Activity <i>What are we going to do?</i>		Rationale <i>Why are we going to do this?</i>		Cost <i>How much will it cost? (NB costs need to equal income figure)</i>	Impact <i>What difference will it make/how will we know this?</i>	Evaluation <i>How did we know this made a difference?</i>	
Top up lunches for two children daily who are eligible for FSM		Enables children to attend for session before and after lunch and provides a hot meal for them which will impact on health and wellbeing		Daily difference in cost from FSM costs provided by SCC and cost of meal = £0.83 per child per day x 38 weeks £315.40	Outcomes on entry in mainstream show that over 70% are working at age related milestones on entry in the prime aspects of learning. 36% of the 3s and 58% of the 2s eligible for pupil premium are working at age related milestones in the prim aspects of learning. Data at the end of the year, will show significantly more children meeting milestones in the prime areas of learning:- <ul style="list-style-type: none">Individual data for the identified children with EYPP will show that their outcomes have improved compared to entry and attendance has improvedChildren identified for intervention have had needs met and a higher percentage are meeting milestones on exitELSA sessions will be prioritised for children in receipt of EYPP.	Attendance improved significantly from 62% to 80% due to the introduction of lunch provision. Practitioners reported that the children were more engaged, and parents noted a positive impact on wellbeing.	
Pay lunch for PLAC child one day a week.		Enables child to attend for session before and after lunch and provides a hot meal for them which will impact on health and wellbeing		Daily cost for lunch from Zebedees per day = £3.05 1 child x 1 a week x 38 weeks. £115.90		The child’s attendance improved from 69% to 91% on lunch days, which had a positive impact on their social interactions and communication skills. Practitioners observed increased confidence	
Continue to offer ELSA as an intervention across the school with a champion in each class		Support the emotional needs of all children and embed a culture where emotional needs are supported by all Deliver the ELSA intervention		Cost of annual supervision costs for 2 x ELSA trained practitioners - £225 each £450.00		Another member of the CNS team is now fully trained as an ELSA, ensuring that each class has an ELSA Champion. This approach is providing consistent emotional support for children throughout the nursery.	
To support breakfast provision for our EYPP children		Enables children to start the day with a meal before they start their day which will impact on their health and wellbeing.		Cost for the breakfast food per week - £4.65 per week x 38 weeks £176.70		Providing breakfast for our EYPP children had a positive impact on their focus and engagement. They met their age-related expectations, and average attendance increased from 60% to 85%..	
Deliver robust programme of intervention for identified children where possible by enhancing adult:child ratio		Raise the outcomes, particularly progress in PSED and CL for those with EYPP and SEND in the main classroom		EYPP funding to contribute to core staffing costs towards Nursery Assistant to enhance ratios and to deliver and implement intervention £9030.00		Through the development of the intervention programme and enhanced ratios, children made progress from 68% to 77% in meeting age-related milestones. EYPP children achieved an average improvement of 20% across all areas, helping to close the attainment gap.	
				TOTAL for 2024-25 £10,088.00
