

March 2024

Dear Parents

We have come to end of our Spring Term. The children have had a term full of exciting learning opportunities from having adventures in Woodland, creating master pieces in the creative area to making new friends.

All of these experiences and activities throughout the term help to stimulate and engage our children in developing their interests and confidence to try new things for themselves.

During Book week the children continued to enjoy different stories and activities. One of their favourites was 'Jack and the Beanstalk' and planting their magic beans. The children over the last couple of weeks have loved talking to others about how the beans are growing.

Building Works to start in April 2024 –

We are very excited to announce that Surrey County Council are investing in our building and renovating our roof and windows over the next term. The first phase of the works is for scaffolding going up around the outside of the building. This is to happen over the Easter holidays. Please may you keep checking your emails for information about which entrance your child will be using, as this may change depending on the scaffolding and works being completed at the time. Having this work completed is great news as it will give a new lease of life to the building.

Reminders –

Please may I remind you about start times for children, as we are getting a lot of children coming into nursery late. When a child comes into nursery late, they find it very difficult to settle which impacts on their wellbeing and learning opportunities. Developing routines is really important for your child and every day they are late, they are missing out on key learning.

Morning Sessions & 2-3s Class 8.30 – 11.30
